Come and participate in the largest, and most famous, elk antler auction in the world. The Jackson Boy Scouts will hold their annual Elk Antler Auction Saturday, May 18th, 2019 at 10:00 AM on the Jackson Town Square. This event marks what has become a rite of spring here in Jackson Hole, with the streets around the town square filling up with antlers, and buyers and sellers from all over the country. AUCTION INFORMATION AND REGISTRATION

In early March, Refuge staff begins collecting antlers as soon as the thousands of elk wintering on the National Elk Refuge start to drop, or “shed,” their antlers. Through an annual special use permit, the Jackson District Boy Scouts are allowed to help Refuge staff pick up antlers in late April and early May. In May, the Scouts auction off the antlers to the highest bidders with the profits split 75/25. The 75% the Refuge receives is used for long-term projects that help the elk for many years. It is used for improvements to the habitat, like growing more natural grasses, improving irrigation on the refuge and purchasing equipment used for this type of work. It also helps pay for summer workers who spend the summer irrigating the fields to help grow grasses the elk can eat during the winter. The Scout’s 25% is used for Friends of Scouting, BSA’s annual fundraising drive. It also supplements the cost of day camps and camporees, training, including Wood Badge and Cedar Badge, Pinewood Derbies, Eagle Scout and leader recognition events, and many other district activities.

The Boy Scout Elk Antler Auction is always the Saturday, one week before Memorial Day weekend. It is a live auction. You must be present to bid. The \$5:00 registration fee is not due until you receive your bidder card the morning of the auction. It is to your advantage to register early. This can be done by going to www.elkfest.org. The antlers sold at the Auction are collected from the National Elk Refuge. For those not wanting to participate in the auction, a limited number of antlers are available from the BSA retail booth, adjacent to the registration trailer.

Auctioneer voices ring out, as Scouts bring antler center stage when the auction begins at 10 AM.

The largest matched pair of antlers ever found on the National Elk Refuge came from this bull. See at Jackson Hole & Greater Yellowstone Visitor Center.
